## MUNICIPAL MARKET PLANNED FOR CITY

Commissioners Prepare to Urge Construction of Place Where Products May Be Sold.

If plans of the Commissioners materialize, Washington will have on the site of the fish wharf, in Water street, a modern municipal market for the sale not only of marine products, but of produce, game, and fruits from Maryland and Virginia farms on the Potomac river. An appropriation for the building will be included in the Commissioners' next estimates to Congress.

Inspection is now being made of the markets and fish wharves of New York, Boston, Philadelphia, Baltimore, and Norfolk by a committee consisting of Col. W. C. Haskell, Superintendent of Weights and Measures; Snowden Ashford, Municipal Architect, and Ralph B. Pratt, secretary to Commissioner Johnston. On their return they will submit to the Commissioners a report containing recommendations and suggestions for the establishment of a market here to be operated by the municipal authorities.

## RESINOL STOPS SKIN TORMENTS

How This Wonderful Ointment Ends Itching and Heals Skin Eruptions. No matter how long you have been tortured and distressed by itching, burning, raw or scaly skin humors, just put a little of that soothing, antiseptic Resinol Ointment on the sores and the suffering stops right there! Healing begins that very minute, and your skin gets well so quickly you feel ashamed of the money you threw away on useless, tedious treatments.

Wherever drugs are sold, you can be just as sure of finding Resinol Ointment as you can of finding a toothbrush. This is because doctors have prescribed it so regularly for the last eighteen years that every druggist knows he must keep it constantly in stock. It comes in opal jars, for fifty cents and one dollar, or you can try it at our expense. Write today to Dept. 18-S, Resinol, Baltimore, Md., for a sample of Resinol Ointment and a miniature cake of Resinol Soap.—Adv't.
